2022 YARD AND WOOD WASTE GRINDING

1. Whitman County Public Works, Solid Waste Division, is requesting quotes from its Small Works Vendor roster for processing and removal of yard and wood waste for 2022.
2. Whitman County operates a yard and wood waste program at the Solid Waste Transfer site. The material primarily consists of tree branches with some grass and garden vegetation, dimensional lumber, plywood, particle board, pallets, etc. This material is required to be processed and removed a minimum of three times a year and up to four or five times per year. Whitman County weighs all yard and wood waste coming into the site. In most cases there will be 800-1000 tons to be processed and moved per event.
3. Quotes shall include all labor and equipment needed to process and remove all yard and wood waste from the Whitman County Solid Waste site located approximately five miles north of Pullman, Washington and ½ mile west of State Route 195.
4. Successful bidder shall be responsible for moving all material from existing pile to grinder without assistance from Whitman County.
5. Successful bidder will have the proper equipment and personnel to move in, grind and haul up to 1000 tons per event and be completed within five (5) business days.
6. All quotes shall be on a per ton basis for processing and removal of yard and wood waste.
7. Please contact David Nails, Solid Waste & Recycling Director if you wish to visit the site or have any questions (509) 334-2400.
8. This agreement shall renew on a year to year basis by mutual written consent unless cancelled by either party. Notice of cancellation must be submitted to the other party in writing at least sixty (60) days in advance of the termination of the initial term or subsequent terms. In no event shall this agreement be renewed more than three (3) times after the initial term of the agreement.

BASIS OF AWARD
