

Due to COVID-19 and in accordance with the Governor's Proclamation #20-05 signed February 29, 2020 and revised March 24, 2020 concerning the Public Records Act (PRA), the following temporary modifications are implemented for records requests.

- In-person inspection or copying of records or in-person submission of public records requests shall not take place. The requestors may make requests by phone, or email, or US mail.
- The County may take longer than five business days to respond to requests.

Modifications and Suspended requirements remain in effect until midnight April 23, 2020 unless extended by the Governor.
