If you are seeking legal assistance please contact the CLEAR Program at 1-888-201-1014. For individuals 60 and over, call 1-888-387-7111 and for TDD, call 1-888-201-9737.

Legal questions may be answered by one of the following: CLEAR advocates, the Northwest Women's Law Center, the Attorney General's Office, or the Tenant's Union.

Find an attorney to meet with or to represent you. Some attorneys in Whitman County volunteer to help people who cannot afford legal services, although this assistance may only be available after you get advice from CLEAR or attend a free legal clinic. For more information about legal resources available to low-income Whitman County residents, CAC case managers may be able to provide information and help with referral to agencies, although CAC no longer houses the Whitman County Legal Services program in its offices. Please contact Whitman County Legal Services, [whitmancountylegalservices@gmail.com](mailto:whitmancountylegalservices@gmail.com), for direct help and referrals.
